Greetings,

I am Stephanie Berning, and I teach first and second grade at St. Peter Immanuel Lutheran School. I graduated from Concordia University Chicago in 2011 with a degree in Lutheran elementary education with a music concentration. I enjoy playing the organ at church and directing the children's choir at school.

At St. Peter-Immanuel, first and second grade are combined in the same classroom. Math, reading, and English are taught separately for each grade level. We learn religion, social studies, and science together doing first grade one year and second grade the next year. We go on field trips to enhance our learning outside of the classroom. We have guest speakers come in to teach us as well.

I believe that God made each child unique and special in his own way, and each child should have the opportunity to learn in the way that best fits him.

I look forward to meeting and talking with you and your student.

In Him,

Miss Stephanie Berning
