Message from Mr. Becker

Dear Parents,

What a joy it is to be part of:

- A system that honors the legacy of faith formation started in the home, when parents brought their children to the waters of baptism, offering educational options that will build upon and honor that foundation rather than ignore or diminish it;
- A school system where faculty and staff can freely express their faith as they go about their various callings;
- A place of intentional nurturing and mentoring in the faith combined with rigorous academics where we seek and celebrate truth, beauty and goodness;
- A community where we practice Christian hospitality to those without a church home, pointing them to the Lamb of God who takes away the sin of the world;
- A legacy committed to equipping a next generation of laborers for the harvest;
- A quest to prepare the next generation through whom God will work to be a blessing to many through their varied vocations.

-Mr. Becker

Memory for this week: **As the head of the family should teach it in a simple way to his household**

Our Father who art in heaven, hallowed be Thy name, Thy kingdom come, Thy will be done on earth as it is in heaven. Give us this day our daily bread; and forgive us our trespasses as we forgive those who trespass against us; and lead us not into temptation, but deliver us from evil. For Thine is the kingdom and the power and the glory forever and ever. Amen.

The Introduction Our Father who art in heaven. **What does this mean?** With these words God tenderly invites us to believe that He is our true Father and that we are His true children, so that with all boldness and confidence we may ask Him as dear children ask their dear father.

Calendar Change

Decatur, Indiana, will experience a total solar eclipse in the afternoon of Monday, April 8. Emergency management services in Decatur are expecting a large increase in visitors to view the eclipse. These services are expecting crowded roads and increased demands on cell phone towers. Emergency management services are concerned that these issues may affect the ability of fire, police, and ambulance services to respond to an emergency in a timely fashion.

Therefore, to ensure the safety of our students, SPI's School Board decided to cancel school on Monday, April 8. In place of that missed school day, SPI will have school on Monday, February 19, which is listed as a make-up day on our current school calendar. In summary, SPI will not have school on Monday, April 8. SPI will have school on Monday, February 19.

The parochial school of St. Peter and Immanuel Lutheran Churches proclaims the Gospel, serves its students, and reaches out to the community.
