The Friends of SPI would like to say a great big **THANK YOU** to the skeleton crew of 16 parents and 25 alumni and volunteers who worked the long hard hours and made this year's Fish and Tenderloin our best year ever! With Covid restrictions limiting the dinner to drive thru only we were able to server 1092 meals in three hours.... that is impressive. This week, as the SPI student body recited the First Article of the Apostles' Creed, we were reminded that God has made us and all creatures. God has given us our body and soul. He has given us "clothing and shoes, food and drink, house and home, wife and children, land, animals, and all I have." Over the past 8 months, are often reminded of what we don't have. I certainly miss the handshakes and gatherings that we used to enjoy. Yet, I can be truly thankful for all of the blessings God has still given to me as are listed above. God is Good!

Here is the Bible verse we learned this week: **Lord, you have been our dwelling place throughout all generations. Before the mountains were born or you brought forth the whole world, from everlasting to everlasting you are God. Psalm 90:1-2**

Mr. Becker

We need some help spreading the word of the great work we are doing at SPI. The school board has asked that a marketing committee be formed to help create, write and distribute information using a variety of platforms. We need 3 to 5 people for the committee with limited meetings. The only requirement is a love for the SPI experience.
