2020-2021 Re-enrollment Information

It's time to re-enroll for next school year. The teachers, staff, and School Board are excited to continue to provide your child with a quality, Lutheran education. Re-enrollment for SPI's 2020-21 School year began on February 28th. Re-enrollments and new enrollments will be online with Ren Web. Log in to Parents Web (to create a Parents Web account, contact Mrs. David) and select "Apply/Enroll" or "Family" for re-enrollment. There is a \$10/student fee charged by Ren Web for this service. The online process will lead you step by step. Current family information will simply need to be updated. To better prepare for the 2020-21 school year, the School Board and Staff encourage you to register early. The registration fee of \$50 will be waived if the online enrollment and required paperwork are completed by **April 1st**. We all look forward to another great year of learning at SPI.

For families that may be searching for free or low-cost Internet connectivity services during this time, the Indiana Department of Education shared the following resources.

CONNECTIVITY:

Charter Communications announced on March 13, 2020 that for 60 days the company will offer free Spectrum broadband and Wi-Fi access to homes with K-12 and/or college students who do not already have a subscription. Installation fees will also be waived for these households. Enroll by calling 844-488-8395. Charter will also continue Spectrum Internet Assist, a program offering low-cost broadband internet of 30 Mbps for low-income households without school-aged children. Comcast, which owns Xfinity, will offer 60 days free and increased speeds for new families who join the Internet Essentials program, an internet access program for low income families that is normally \$9.95 a month. AT&T announced on Friday it would not cancel service and would waive late fees for any wireless, home phone, broadband residential or small business customer experiencing hardships because of the coronavirus pandemic and can't pay their bills. Qualifying low income households can apply for \$10 a month internet access through the Access from AT&T program. Fixed Wireless Internet and Wireline customers can use unlimited internet data. AT&T will also keep public Wi-Fi hotspots open.
