Dear Parents,
The teachers, staff, and I thank you for entrusting your children to our care for this school year. Due to the COVID pandemic, many of our activities were limited. In spite of that, we feel we had a great school year. Our students learned much. We thank God for helping us to be "in-person" most of the year. We look forward to a more "normal" school year next year.
May God bless your summer. We will miss your children and will look forward to welcoming them back next August. If you know of other families that would like to learn more about SPI and the Lutheran Education we offer, please let me know. I would love to talk with them.
Mr. Becker

The Memory for this week: **What is the benefit of this eating and drinking?** These words, “Given and shed for you for the forgiveness of sins,” show us that in the Sacrament forgiveness of sins, life, and salvation are given us through these words. For where there is forgiveness of sins, there is also life and salvation.
