

## **St Peter - Immanuel Student Choir & Worship Music Calendar**

Welcome back! We are so excited to enjoy another year with your children to learn and grow in Christ! One of the ways the teachers and staff encourage growth in knowledge and love for Christ and His Word is through music. SPI student musical participation and leadership for worship services is also one of the ways for them to say "Thank You" to the congregations for their unwavering support for the school. The Kindergarten-4th Grade Choir and 5th-8th Grade Choir will alternate singing a special song, and all students will sing verses for a hymn in the service. **All Kindergarten-8th Grade students are asked to come on these calendar dates.**
