

UPDATED St Peter - Immanuel Choir Worship & Music Performance Calendar

Welcome back! We are so excited to enjoy another year with your children to learn and grow in Christ! One of the ways the teachers and staff encourage growth in knowledge and love for Christ and His Word is through music. SPI student musical participation and leadership for worship services is also one of the ways for them to say "Thank You" to the congregations for their unwavering support for the school. The Kindergarten-4th Grade Choir and 5th-8th Grade Choir will each sing a special song and a verse for a hymn in the service on their scheduled dates below. Students also participate in a Christmas Program and a Spring Musical. **All parents are asked to have their children come on the following calendar dates for your child's class.**
